Dear Jessica,

On behalf of the staff and individuals served at Open Sky Community Services, thank you so much for the generous donation of 25 face shields from the HiTek Corporation, which we received on May 1, 2020.

Our agency served disabled individuals in group residential home settings. Your donation came just in time for us to get our first isolation site up and running as the need presented, with beds and linens and Personal Protection Equipment, staffing and food.

Everyone at Open Sky is giving their utmost effort in this unprecedented crisis to continue to support the individuals we serve with the high level of care we have always provided. The donation from the Hitek Corporation will help us to do so.

Sincerely,

A handwritten signature in black ink, appearing to read "K. Bates".
