Dear Ms. Chapman,

On behalf of the Visiting Nurse Association of South Central Connecticut, I would like to thank you for your generous donations of the face shields that were made in support of our programs and services to our patients during the Covid-19 pandemic.

Its support like yours that enables us to achieve this level of compassion and excellence, remaining one of the most relied upon health care organizations in our region. I truly thank you for your generosity and investment in our mission.

Sincerely,

Samantha DiCicco RN
